

Game-Changing Collab Alert!

Get ready to level up your hair game! We've just dropped some major news - London Hair Academy Malta is teaming up with the sustainable superstars at AVIFILM, and it's about to revolutionize how we do hair!

Here's the tea: AVIFILM is hooking us up with their next-level hair strips that are literally saving the 🙌 planet! Made from 80% recycled materials (we love to see it), these strips aren't just another beauty tool - they're the future of hair styling!

Forget everything you know about basic aluminum foil. These eco-conscious strips aren't just better for Mother Earth - they're actually working harder for your hair! The results? Absolutely

unmatched ✨

So if you're all about looking fresh while keeping it green, you're going to want to watch this

space... Because this collab? It's kind of a big deal. 🧑♀️

And that's not even the best part...

Real talk: This collab is totally changing the game for our future hair artists! We're not just teaching techniques - we're creating a whole vibe where sustainability meets slayage!

Every student at our academy is getting hands-on experience with these revolutionary strips,

because let's be honest - there's no planet B! 🌍 Our future pros aren't just learning to create fire looks; they're becoming part of a bigger movement to make beauty beautiful for the environment too.

Major shoutout 🙌 to AVIFILM for being the real MVPs! They're proving that you don't have to choose between looking fierce and being eco-conscious. This is giving main character energy and we're here for it!

Ready to be part of the beauty revolution? Come through and join our squad! Together, we're making sustainable beauty the standard, not just a trend.
