

Hair and Makeup

These classes can be access with no previous experience

Hair h4

This is a short course based on the Academy's hair and Makeup system taught by UK trained Educator.

It can be access without any previous salons experience.

It is possible to do different courses at different level here at the academy consecutively.

You will be introduced to:

- Advice & Consult (part of)
- Shampoo & Conditioning (part of)
- Style & Finish Blow drying smooth, Volume, movement (part of)
- Colour (Permanent) application (Part of)
- One length haircutting (Part of)
- Day and Evening Makeup application to include the understanding of face shapes, skin characteristics, fashion trends, cultural factors.

MAKEUP mu4

This course will enable you to initiate your career as a makeup artist in beauty salons, doing bridal and photo-shoot. Build up your portfolio and makeup kit/tools.

You will study facial anatomy, health, and safety best practice, skincare, the correct use of tools and products, the principles of lighting and shading in make-up, as well as colour mixing and blending the application of bases, and beauty make-up for both day and evening and you will look at how makeup is influenced by a different light.

Make-up application to include the understanding of face shapes, skin characteristics, fashion trends, cultural factors, effects of sunlight, planning make-up application – images, themes, colour, research, use of mood board.

Opportunities for learners to develop a range of skills, techniques, personal qualities and attitudes essential for successful performance in employment as a make-up artist. Classes are small with a maximum number of 5 students and are taught through practical demonstrations, digital learning and one-to-one attention on each student's work. Also available distance learning where you can built the required evidence of your learning at work with only brief visits to the academy or visit by the tutor to your practicing salon. Students work on models/ mannequins, with a very practical hands-on approach from day one. The focus is: to develop students' practical skills and work responsibility with a strong, detailed and simple to learn system and a thorough internal and external quality assurance policies in place.
