-Application of theatre make-up - to include lighting, principle of colour, historical period make-up, theatrical and character hair & make-up.

-Wig base preparation and application.

-Tattoos application and covering.

-Hair colouring, hair styling, beard trimming -Optional hair cutting (Uniform and one length)

Understand the key differences between working in Film, TV, Theatre, and Fashion

Know how to research a subject and use relevant reference material to fulfill a brief

Acquire the professional skills and contacts to help you start your career in the media industry Students work through a comprehensive and actual syllabus addressing the key hair & make-up techniques required by professional artists working in these industries inspired and guided by true professionals.

Classes (Maximum 5 students) are taught through practical demonstration, distance learning, digital platform, and one-to-one attention on each student's work.

Students work on each other, mannequins, and models with a very practical and hands-on approach from day one. The focus is on developing students' practical skills. These courses are taught and assessed by the academy's principal educator UK trained Hair and Makeup Alex Volpe with more than 30 years' experience as a Hair and Makeup Designer in Films and TV and visiting artists.

Classes are small with a maximum number of 5 students and are taught through practical demonstrations, digital learning and one-to-one attention on each student's work. Also available distance learning where you can build the required evidence of your learning at work with only brief visits to the academy or visit by the tutor to your practicing salon.

Students work on models/ mannequins, with a very practical hands-on approach from day one.

The focus is: to develop students' practical skills and work responsibility with a strong, detailed and simple to learn system and a thorough internal and external quality assurance policies in place.
